

Fork Mounted Sweeper

Fork Mounted Sweeper - The lift truck mounted broom accessory can truly make industrial sweeping jobs much easier. Intended for use on either wet or dry surfaces, this mounted broom accessory could squeegee water and push snow without problems. This accessory is often used to clean debris from warehouses, construction sites, docks, parking lots and almost everywhere it is needed. The lift truck sweeper is a low maintenance attachment which make use of quick-tite blade products to easily attach to the forklift.
