

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over 60 years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to giving new design concepts and top quality so as to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They enjoy providing products that energize both their partners and their dealers and provide production gains to their customers.

The TREK team of workers enjoys new tasks and new challenges. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements combined with their comprehension of cleaning applications, along with owners' strong desire to dramatically lessen expense through productivity gains.

When considered necessary, the employees within TREK and its many dealer members in both parts and in technical support will be accessible. Amongst their core values is their high service commitment in their customer service. Keeping their clients' cleaning machines functioning and ready everyday is top priority. The company's top of the line technology delivers dependable machine that ultimately lessens your cost of cleaning. The service, the product and the price all work together to be able to make them the leader in the industry.
