

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines that are known in the business as strong and durable equipment which satisfies all the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind version of floor scrubber along with the Clarke Company which is presently likewise owned by Nilfisk Advance. Their production operations are based in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply parts, warranty service and equipment for these scrubbers that have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility managers where efficiency and results make a difference. Lately, this particular floor scrubber model has been utilized by the architects in new construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this particular sweeper scrubber on site because of the model's excellent quality and utmost performance level for polishing concrete.
