

Advance-Nilfisk Part

Advance-Nilfisk Part - Think about how tedious it would be to tidy up your house after throwing a large party, without help from cleaning equipment. Before, the time carpets and upholstery had the dirt beat out of them manually; brooms, cleaning cloths and brushes were the best cleaning supplies during that time.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Founding the company in the year 1906, he started to make motors in order to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's dream from the start was to have a worldwide business advertising merchandise internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning industry. Mr. Fisker invented an amazing, ground breaking vacuum cleaner that could be operated by one individual as it only weighed 17.5 kilos! This invention came in a time where other cleaning equipment were massive and required 4 or more operators, therefore, the Nilfisk C1 changed everything and evolved the way we clean forever. The mastermind behind these first cleaning machines remains unparalleled. Cleaning equipment offer an excellent solution to an ongoing problem; things get filthy and should be cleaned regularly, without too much effort.

Little by little, the business Nilfisk-Advance developed throughout the years. In the early nineteen eighties the business developed fast when the business became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance forward within the trade, aiming to be an active international player in making professional cleaning machines. Nilfisk-Advance is now found in all parts of the globe due to steadily obtaining lots of smaller businesses to be able to expand their product selection and presence in new markets. They are really proud to present a variety of cleaning solutions to suit each requirement.
